It has been reported UVMHC & RRMC were among the 17 health care providers that erroneously were overpaid \$7 Million in federal Covid 19 relief funds. If that is indeed fact, perhaps they have already benefitted enough and should be denied additional. Tell them to look at expenses, reserves and future plans...put on hold a new outpatient surgery center!

Please GMCB "Just say NO". We can't afford more expenses as taxpayers and purchasers of health care insurance.
