Health Insurance Rate Review

Comment

The requested rate increase will be born nearly entirely on the backs of Vermonters who already pay very high health insurance premiums. UVM has a VERY POOR TRACK record of improving the health of Vermonters.

I request that the VGMCB demand that they get their house in order first, fix their leaky bucket, and do something to actually improve the health of Vermonter and reduce healthcare costs before any rate increase is considered.

Hospital - Heal thyself, first.
