I would like to provide feedback on the proposed VITL Budget Guidance. We are confident the proposed process will support VITL's budgeting process, allow for alignment with DVHA, and ensure the Board receives the information it needs to perform a meaningful review of the proposed budget and the work it will support.

VITL is appreciative of the Green Mountain Care Board's efforts to develop and to ensure that the process for the Board's review and approval of VITL's annual budget supports the principals of transparency, public/stakeholder input, alignment with HIE Plan Goals, and alignment with VITL/DVHA process.

Thank you for the opportunity to provide input. We look forward to presenting our FY22 budget to the Green Mountain Care Board later this spring.
