Dear Green Mountain Care Board Members:

In accordance with our Letter of Intent dated February 24, 2022 to request amendment of our FY 2022 approved budget, we are notifying you that our Board of Directors approved our rate increase request on March 2, 2022. This approval confirms the approval of our Executive Finance Committee, which was obtained on February 15, 2022. As stated in the Letter of Intent on February 24th, we are requesting the rate increase to be effective as of April 1, 2022, in order to have the best opportunity to respond to the continued inflationary pressure on staffing costs that is present now and is not expected to change.

Pursuant to 18 V.S.A. § 9456(f) and Section D. of the Policy on Budget Amendments and Adjustments, we understand that the GMCB staff has 15 days after receiving the complete request to make a recommendation to the Board. We will respond to the questions received by the Board in a timely manner, however, given the complexity and time sensitivity of the request, we are requesting a formal hearing to allow for open dialogue and exchange of information.

Please direct any questions pertaining to the FY 2022 Budget or this request to Judi Fox, contact information jfox@RRMC.org or 802.747.1632.

Respectfully Submitted,
