Subject: Request to Rescind FY 2024 Budget Adjustment Application

Dear Chair Foster,

On behalf of RRMC, I am writing to formally request the rescission of our FY 2024 budget adjustment application submitted on September 30, 2024.

During our reconciliation process in preparation for the fiscal year-end audit, we determined that our net patient service revenue no longer exceeds the Green Mountain Care Board's threshold of 1% above the approved budget. This updated financial position removes the primary basis for our adjustment request. Given this development, we believe it is appropriate to withdraw our application.

Thank you for your understanding, and please do not hesitate to contact is should additional information or clarification is needed regarding this rescission request.

Respectfully,

J. Bertrand
