Review of Prior Work

Christina McLaughlin presented an overview of the Prescription Drug Advisory Group, outlining the history of the group and its previous work. To see the full presentation, please click [here](#).

Future Advisory Group Work

Group members discuss whether to continue the Prescription Drug Advisory Group, noting although their proposal did not move forward, it is valuable to convene as a group. Since there interest in continuing the group, the Board will discuss the future of this group in a public Board meeting. The group plans to reconvene in November 2022.
