GREEN MOUNTAIN CARE BOARD

The Green Mountain Care Board is the steward of the Vermont Uniform Hospital Discharge Data System (“VUHDDS”) which contains information related to health care provided to patients at health care facilities in Vermont and health care provided to Vermont residents at health care facilities in other states. Under the statutory authority to collect these data (18 V.S.A. § 9410<sup>1</sup>, 18 V.S.A. § 9456<sup>2</sup>, and 18 V.S.A. § 9457<sup>3</sup>), the Vermont Green Mountain Care Board (GMCB) administers the program.

This reporting manual, as a companion to Green Mountain Care Board Rule 8.000, specifies data submission requirements for the VUHDDS data set, including the required data submission schedule, required fields, file layouts, file components, edit specifications, instructions, and other technical information.
