

Health Care Workforce Strategic Plan

Staff Recommendation

November 12, 2021

Staff Recommendation

- Approve the Health Care Workforce Strategic Plan, as updated at the November 10, 2021 Board meeting, with two conditions:
 1. The Director of Health Care Reform or designee shall report periodically to the Board on a schedule to be determined by the Chair.
 2. The Director will provide the Board with a prioritization of the recommendations. GMCB staff will work with the Director to determine the appropriate format and timing for the information.
