Topics for Table Discussion Session

Payment and Delivery System Reform

- What details of the all payer model should be highlighted to increase public awareness?
- How can we continue to move from a system of “sick care” to a “wellness” based system?

Workforce Challenges

- How can we encourage UVM medical students to practice in Vermont?
- What are creative solutions to incentivize health care providers to move to Vermont to practice?

Rate Review

- Given the possibility of ACA repeal, substantial changes in state insurance marketplaces, and year-over-year rate increases; does it make sense for Vermont to have its own marketplace? Should changes be made?
- Do you believe that Vermont Health Connect, overall, has been a success?

Hospital Budgets

- How can we better align our hospital budget process to other regulatory activities at the Board? (i.e.: ACO budgets, rate review)
- What other measures might the hospital budget team examine in the hospital budget review process?

Outreach and Education

- What steps can the GMCB take to increase public engagement?
- How can the GMCB better articulate the day-to-day regulatory and innovation activities at the Board?
