**RE: Docket No. GMCB- 013-14con, Proposed Development of Outpatient Eating Disorder Treatment Program, d/b/a Green Mountain at Fox Run**

Dear Attorney Miskovich:

Thank you for your letter dated May 7, 2014 and for the responses to our questions.

Based on the representations reflected in your letter and in the responses to questions dated June 16, 2014, the outpatient eating disorder treatment program meets the statutory definition of a health care facility (*See* 18 V.S.A. §9432(8)) and will incur annual operating expenses in excess of \$500,000. Therefore, the proposed project is subject to Certificate of Need review.

Please contact us so that we may set up a time to meet with you to explain the process and identify the Health Resource Allocation Plan (HRAP) standards and statutory criteria that apply to the proposed project. I can be reached at 802-828-2918.

Sincerely,

*S/ Donna Jerry*
