RE: Docket No. GMCB-008-18con, Proposed Replacement of 361 windows at Rutland Regional Medical Center:

Dear Ms. Jerry:

Rutland Regional is withdrawing the CoN Justification Determination letter that was sent on March 7, 2018. We will be reducing the scope of this project to ensure it does not meet the CoN threshold. We will replace the 153 windows in the 1957 building starting this year (2018) and 121 windows in the 1977 building (2019). Rutland Regional will be targeting the windows that we replace in the project so that the cost will not exceed \$2,700,000 over three years.

Thank you for your consideration. Please do not hesitate to ask if questions.

Sincerely,

Thomas W. Huebner
President and CEO
