Re: Docket No. GMCB-010-15con; Extension of review period

Dear Attorneys Elliott, Cramer, and Kuiper,

The Board issued additional questions in the above-captioned matter on February 3, 2017. The Board also received requests from the interested parties and the applicant, dated January 25 and January 27 respectively, for additional time to respond to submitted material.

Pursuant to 18 V.S.A. § 9440(c)(4), and notwithstanding an initial determination dated January 26, the Board will extend the application review period to allow all parties a reasonable amount of time to submit responsive material before closing the application. As required by § 9440(c)(4), this extension shall not exceed an additional 60 days.

Sincerely,

Noel Hudson, Esq.
