Dear Spenser:

The Green Mountain Care Board's Rule 5.000, § 5.401(a) states that an ACO must completely, timely, and accurately report to the Board all data and analyses specified by the Board regarding the activities of the ACO, ACO participants, ACO Providers, and any other individuals or entities performing functions or services related to ACO activities. We would like to thank you and your team for your submission of quarter 1 materials on April 30, 2019. Below are materials due for quarter 2.

By July 31, 2019:

- Q2 2019 financial statements (see updated financial template)
- Q2 2019 attribution (see reporting template)
- Interim 2019 Comprehensive Payment Reform Program financial report which should include changes made to the program in 2019 and analyze how the capitated payments received by primary care practices under the program are comparing to payments hospitals make to primary care providers not participating in the pilot.
- January-June 2019 grievance and appeals reporting (see reporting template)
- Any OneCare Policies and Procedures updated in Q2 2019

Thank you. Please contact me with any questions.

Sincerely,

Melissa Miles

Deputy Director of Value Based Programs and ACO Regulation
