FY 2020 Draft GMCB Hospital Budget Guidance

Pat Jones, Director Health System Finances, GMCB

Pat Jones presented the process for developing the draft FY 2020 guidance, provided a summary of the changes, and outlined the proposal for April reporting. She and her team walked through the draft appendices, next steps for budget guidance, and presented the Gifford Medical Center request for budget modification. Pat discussed a proposal that GMCB provides hospitals with templates for reporting on quality improvement initiatives, access to care and wait times, and community health needs assessment by February 28th. Member Lunge made a motion to proceed with the proposal for April reporting as described. Member Holmes seconded the motion. The Board voted to approve the motion unanimously (5-0). There is currently an open special comment period regarding the FY 2020 guidance, the Board is scheduled to have a final vote by March 31, 2019.
